Absence from Property Form

Connect Victoria Park operates Community Housing for people over 60 and is committed to maintaining long-term tenancies.

Connect balances the specific needs of tenants with its mission of providing a safe and secure home to people in need.

Connect understands and respects the need for tenants to be away for time to time, and we respectfully request that tenants inform the office of their plans for being absent.

Connect encourages tenants to inform their neighbours and next-of-kin if they intend to be away for any period of time so that any welfare concerns can be allayed.

This form documents absence from property by Connect Victoria Park Community Housing tenants.
